## ABOUT ME

As a graphic designer, I am not defined by pixels or Pantone colors; I am defined by the impact of my work—the emotions evoked, the stories told, and the connections forged. With a blend of artistry, technical expertise, and boundless imagination, I am ready to bring your vision to life and leave a lasting impression on the world.

## EXPERIENCE

freelancing at oragnaisation ( 1 years )

internship at FDA ( 3month )

SMO digital marketing (7month)

Graphics design exp : 1 years 10 months

Video editing exp : 7 months
